COURSES

B.Pharm M.Pharm Pharm.D

G. Pulla Reddy College of Pharmacy is established in the year 1994-95, sponsored by G. Pulla Reddy Charities Trust, under the chairmanship of Late Sri G. Pulla Reddy Garu, a philanthropist, social reformer, well known as sweet Pulla Reddy, who has promoted several educational institutions under the Trust.

The College is centrally located in a beautiful campus at Mehdiapatnam, Hyderabad. The campus is spread over in 5 acres of land in a calm & quiet natural habitat. Mehdiapatnam is well connected to all corners of the expanding city by local bus services. In this campus G. Pulla Reddy High School, G. Pulla Reddy Degree & P.G. College are also located.

G. Pulla Reddy College of Pharmacy envisages to become the centre of excellence for research in Pharmacy. It aims to contribute significantly to drug development and drug discovery.

G. Pulla Reddy College of Pharmacy aims to be on forefront in imparting the disciplined and quality Pharmacy education. The Graduate and Postgraduate students shall be groomed as responsible & highly acclaimed professionals in the Pharmaceutical Arena.

PHARMACY COURSE

Pharmacy is a professional course which gives an overall and in depth knowledge of drugs. This course imparts the knowledge of preparation of drugs, their actions, side effects, toxicity, formulation of the drugs into suitable dosage forms such as tablets, injections, syrups etc., and monitoring their actions in patients.

B. Pharm is a four year degree course, which is pharmaceutical technology oriented and encompasses the knowledge and training for synthesis, analysis, pharmacology of drug substances and formulation development of various dosage forms.

M. Pharm is a two year post graduate degree course in various specializations. This course gives an advanced knowledge and research methodology for the drug discovery and development.

Pharm. D is a six year Doctor of pharmacy course, which is equivalent to post graduation in pharmacy. This course is more patient, pharmacotherapeutic, clinical and hospital oriented. It encompasses the knowledge and training on drugs uses, actions, adverse reactions, clinical research and best therapeutic outcome.

INFRASTRUCTURE

★ The college building is very spacious, four storied building, exclusively for Pharmacy with WI-FI facility. All the facilities like Office, Principal's chamber, Library, Laboratories, Classrooms, Seminar Hall, Faculty rooms, Girls common room, Animal house, Medicinal plant garden, Power backup 125 KV, Parking and other facilities etc., are well planned.

★ Library is a centre for enrichment of knowledge and for creative ideas & thoughts. The library is a spacious big hall with neat furniture. Good number of text & reference books are provided. Scientific journals, magazines & e- resources (e- books, e- journals & e-database) are also provided. However it is a continuous process of adding new books every year.

★ 50 K.W. solar power unit has been established in the year 2015 on the roof top of the building.

★ Teaching faculty is the key for the success of any institution. Teaching faculty include Professors, Associate Professors & Assistant Professors who are well experienced & highly qualified. Eleven are doctorates & eight are pursuing their Ph. D and all others are experienced post graduates. The average experience of teachers is 10 years.

★ In spite of the regular academic activity some extracurricular activities are the regular feature. The College day, Pharmacists day, Teachers day, Yoga day, Traditional day, Graduation day etc., are celebrated every year. Community health programs and a number of Intra & Inter College Sports & Cultural events are also conducted every year.

★ Seminars and Guest lectures by eminent personalities from Industry & Academics are arranged to keep the students abreast of the recent developments in the profession. Every year National level seminar/s on "Innovations in Pharmaceutical Research and Oral/ Poster Presentations" are conducted to improve the student's communication and presentation skills. G. Pulla Reddy Memorial Oration Lecture is being conducted from 2014.

★ Industrial visits/ training are arranged every year for B.Pharm & M. Pharm. The students will get direct exposure and experience about the principles and working of various pharmaceutical technological processes.

RESULTS

	2015	2016	2017
M. Pharm	100%	100%	100%
B. Pharm	79%	92%	92%

ALUMNI

GPRCP Pharma Alumni Association was founded in the year 2002. The members are scattered across the globe and working in Pharmacy Practice, Industry and Teaching fields. Alumni Association is active and in continuous support to the college. The association sponsored an academic prize to the Topper of B. Pharm II year, also extended financial support to the family of deceased lab assistant K. Jagadish to the extent of ₹2.5 Lakhs.

Alumni Say's:

GPRCP is a Treasure of Knowledge with cultural integrity and Discipline. The awesome atmosphere gives every student a chance to step into the Pharmacy world. The Education system is top notch, extremely worthy of every penny. Every person on campus including faculty, staff and students work together to create the best possible education. The faculty is friendly and more than willing to help. Each one of us can extract as much as we can. There are tons of activities to get involved in for students to take advantage of. It is a great chance for pharma aspirants. I will never forget the inspirational addressing on the first day of my college that changed my life. All those guys hungry you got enough here.

Education at GPRCP laid a perfect foundation and gave me good exposure to my future when I was lost. With guidance from the faculty of GPRCP, I opted Master's in Biomedical Sciences with Medical Chemistry Major and successfully graduated and Ph.D in Biomedical Informatics @ University of Medicine and Dentistry at New Jersey. Regards- Avinash Gadala, B.Pharm 2003-07.

CAMPUS PLACEMENTS

Every year campus placements are conducted for the students by reputed organizations.
