## GENDER SENSITIZATION PROGRAM

The Gender Sensitization Program was organized on 28<sup>th</sup> October 2025, to promote awareness and understanding about gender equality, respect, and inclusivity among B. Pharm and Pharm. D freshers 2025 -26. The session aimed to sensitize participants about the importance of treating all genders with dignity and to encourage a safe and supportive campus environment. The program was conducted by **Dr. R. Padmavathi**, Professor, HOD, B. Pharm, **Dr. A. Lalitha Devi**, Associate Professor, for girls and for boys **Dr. N. Raghavendra Babu**, Associate Professor, and **Mr. Y. Srihari**, Assistant Professor. They highlighted the significance of gender sensitization in today's society. They also emphasized that gender equality is not just a legal or social responsibility but a vital aspect of human values and professional ethics. Through interactive discussions and real-life examples, the session enlightened on issues such as gender stereotypes, unconscious bias, workplace behaviours and equal opportunities in education and employment. Students actively participated by sharing their thoughts and experiences, which made the session more engaging and meaningful. The event was aimed in adopting understanding, awareness, and mutual respect among participants, encouraging them to act as promoters of equality in their personal and professional lives. Overall, the event created an enlightening experience that reinforced the institution's commitment in creating a gender-sensitive and inclusive academic community.
