## ONE DAY SEMINAR ON “INNOVATIONS IN PHARMACEUTICAL RESEARCH-2024 ORAL AND POSTER PRESENTATIONS”, 21<sup>st</sup> December 2024

G. Pulla Reddy College of Pharmacy, Mehdiapatnam, Hyderabad, conducted a national seminar on “**Innovations in Pharmaceutical Research – 2024: Oral & Poster Presentations**” on **21st December 2024**. The seminar aimed to share knowledge about the latest developments in pharmaceutical research and help students improve their communication and research skills. A total of **580 participants from 27 colleges** attended the event. The seminar was attended by notable dignitaries; **Sri P. Subba Reddy**, Chairman, G. Pulla Reddy College of Pharmacy; **Prof. K. Janardhan Reddy**, Former Principal, Osmania University College of Science, Former Executive Council Member, Osmania University, Hyderabad. **Dr. Aravind Penmatsa**, Associate Professor, Molecular Biophysics Unit, Indian Institute of Science, Bangalore; **Dr. Pallu Reddanna**, Professor Emeritus, School of Life Sciences, University of Hyderabad, and Vice President of Agri Biotech Foundation. The seminar began with a traditional lamp-lighting ceremony and a prayer song. **Dr. B. Madhava Reddy**, Principal of G. Pulla Reddy College of Pharmacy, welcomed the gathering and outlined the objectives of the event, emphasizing the importance of oral and poster presentations in building technical and communication skills. **The Chief Guest, Prof. K. Janardhan Reddy**, spoke to the students about the importance of staying updated with the latest research in the field of pharmacy. The **Scientific Abstract Book** was released by the guests.

### Sessions and Lectures:

**First Session:** Dr. Aravind Penmatsa delivered a talk on “**Pharmacology of Neurotransmitter Transport: A Journey through Membranes and Macromolecules.**” He discussed the role of neurotransmitter transport systems, the interaction of drugs with these transporters, and ways to improve drug specificity.

**Second Session – G. Pulla Reddy Memorial Oration Lecture:** Dr. Pallu Reddanna spoke on “**Innovations in the Pharma and Biopharma Industries: Role of Academy-Industry Interactions.**” He highlighted recent therapeutic innovations, the global and Indian pharmaceutical landscape, and the importance of collaboration between academia and industry. Dr. B. Madhava Reddy honored the guests and speakers with mementos and shawls.

In the afternoon session, students presented **137 oral presentations** and **110 poster presentations** on various topics in pharmaceutical research. Senior academicians from different colleges evaluated the presentations, and the **best 13 oral and 11 poster presentations** across five subject areas were selected. Winners received certificates and mementos. The evaluators for the scientific presentations were also honoured with mementos for. The seminar concluded successfully, providing participants with valuable insights into pharmaceutical research and opportunities to enhance their presentation skills.

## ONE DAY SEMINAR ON “INNOVATIONS IN PHARMACEUTICAL RESEARCH - 2024” AND ORAL & POSTER PRESENTATIONS 21<sup>st</sup> DECEMBER 2024

### OBJECTIVE OF THE SEMINAR

The aim of seminar is to provide a platform to exchange the research innovations and current affairs in the field of pharmacy profession.

Many students have sound technical knowledge but lack of oral expression and communication capabilities. This one day seminar is organized with the aim of improving the technical communication skills and research approaches among the students.

### About the College

G. Pulla Reddy College of Pharmacy was established in the year 1995 and first private pharmacy college in Telangana Region by G. Pulla Reddy charities Trust, under the Chairmanship of Late Sri. G. Pulla Reddy garu. The college is now offering B.Pharm, Pharm.D and M.Pharm- Ph.Chemistry, Ph. Ceutics, Ph.Cology, Ph. Analysis and Ph. Regulatory Affairs courses.

The college has established itself as one of the premier institutions in Pharmacy. The Alumni of this college are working in reputed Pharmaceutical companies in India and Abroad. Recently one of the Alumni Dr. P. Aravind, Professor at Indian Inst. of science, Bangalore received “Vigyan Yuva - Shanthiwarup Bhatnagar Award” for his scientific achievements and contributions.

The college faculty are doing good research and publishing papers in scientific journals. The students of the college won many prizes at National level.

The college instituted G. Pulla Reddy Memorial Gold Medal for the Topper in B.Pharm in Osmania University from 2011-12 Academic year.
