World TB day -24th March 2022

Organized by

Department of Pharmacy Practice

G. PULLA REDDY COLLEGE OF PHARMACY

IN ASSOCIATION WITH

STRIDE ORGANICS PRIVATE LIMITED

Department of Pharmacy Practice, G. Pulla Reddy College of Pharmacy in association with stride organics private limited organized world TB day outreach program on 24th March 2022. About 30 Pharm D students and PharmD faculty have participated. Students have visited nearby low income residential area and explained about the symptoms of TB and various precautions & care to be taken to prevent the TB. Multivitamin tablets are distributed to poor and people with under nutrition in that area. The multivitamin tablets were sponsored by stride organics private limited. This outreach program was coordinated by Prof. Dr. P.K.Lakshmi.
