

## **G. PULLA REDDY COLLEGE OF PHARMACY**

**Mehdipatnam, Hyderabad**

### **International Student Cell**

The college has approval from AICTE for admission under Persons of Indian Origin (PIO) having a foreign citizenship / Foreign Nationals (FN) quota. Keeping in view, the institute has constituted International Student Cell. International student cell has been established to meet the interest of foreign students to carry out their studies in this college under Osmania University. The main objective behind the establishment of this cell is to provide a nurturing and supportive environment to international students.

International student cell has a team of dedicated faculty and student members. It is one point contact for all international students in case of any problem during their stay in the college. The International student's cell seeks to promote and facilitate international student's development outside the classroom as well as enhancing the quality of life for the international students.

The Cell also plays a major role in promoting and upholding the shared values and ideals of the Indian student community. ISC responds to the informational and personal concerns of international students. A variety of student services such as advocacy, student counseling, sports and recreation, information about scholarships and study grants, student health insurance, information for parents and families, absence notices, references for postgraduate schools and other support services are provided.

We have international students from different countries – Yemen, Oman, Ivory Coast, Uganda, Eritrea, Sudan, Tanzania, Iraq, Kenya and Somalia admitted into B.Pharm and M.Pharm courses from the year 2003. A total of 77 students of above countries completed their graduation from this college. The affordable cost of living and fees structure are attracting more number of International students to become a part of the college and Osmania University.
